Platform on Biodiversity and Ecosystem Services
Tenth session**

Bonn, Germany, 28 August–2 September 2023

Item 13 of the provisional agenda*

Adoption of the decisions and the report of the session**Draft decisions for the tenth session of the Plenary of the
Intergovernmental Science-Policy Platform on Biodiversity and
Ecosystem Services****Note by the secretariat****Introduction**

1. The present note sets out draft decisions for consideration by the Plenary of the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services (IPBES) at its tenth session. It was prepared by the Executive Secretary to assist the Plenary in the development of decisions for adoption on the items on the agenda for the session. The draft decisions follow the structure of the decisions adopted by the Plenary at its previous sessions. The note indicates the item of the provisional agenda under which each draft decision is expected to be considered.

**I. Draft decision: Implementation of the rolling work programme of
the Intergovernmental Science-Policy Platform on Biodiversity
and Ecosystem Services up to 2030**

2. The Plenary may wish to consider the following draft decisions under item 13 of the provisional agenda:

The Plenary,

Welcoming the report of the Executive Secretary on progress in the implementation of the rolling work programme up to 2030,¹

Acknowledging with appreciation the outstanding contribution made by all the experts involved to date in the implementation of the work programme, and thanking them for their unwavering commitment thereto,

Encouraging Governments and organizations to participate actively in the implementation of the work programme,

* IPBES/10/1.

¹ IPBES/10/4.

I

Implementation of the work programme of the Platform up to 2030

1. *Decides* to proceed with the implementation of the work programme in accordance with the decisions adopted at its previous sessions, the present decision and the approved budget, as set out in decision IPBES-10/[--];²
2. *Requests* the Executive Secretary to provide a report on progress in the implementation of the work programme to the Plenary at its eleventh session;
3. The Plenary may wish to consider the following draft decision under item 7 (a) of the provisional agenda:

II

Assessing knowledge

3. *Approves* the summary for policymakers of the thematic assessment of invasive alien species and their control,³ and accepts the chapters of the assessment, including their executive summaries;⁴
4. The Plenary may wish to consider the following draft decision under item 10 of the provisional agenda:
 4. *Also approves* a scoping process, for consideration by the Plenary at its eleventh session, of a second global assessment of biodiversity and ecosystem services, in accordance with the procedures for the preparation of Platform deliverables⁵ and based on the initial scoping report for the assessment;⁶
 5. *Further approves* the undertaking of the following fast-track assessments, in accordance with the procedures for the preparation of Platform deliverables:⁷
 - (a) A methodological assessment on monitoring biodiversity and nature's contributions to people, as outlined in the initial scoping report for the assessment set out in annex [--]⁸ to the present decision, for consideration by the Plenary at its thirteenth session;
 - (b) A methodological assessment of integrated biodiversity-inclusive spatial planning and ecological connectivity, as outlined in the initial scoping report for the assessment set out in annex [--]⁹ to the present decision, for consideration by the Plenary at its fourteenth session;
 6. *Decides* to determine, at its thirteenth session, the exact topic for a fast-track assessment on biodiversity and climate change, which would be undertaken in time for its consideration by the Plenary at its sixteenth session;
5. The Plenary may wish to consider the following draft decision under item 7 (b) of the provisional agenda:
 7. *Takes note* of the note by the secretariat on engagement with the Intergovernmental Panel on Climate Change¹⁰ and the compilation of further suggestions from members of the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services for thematic or methodological issues related to biodiversity and climate change that would benefit from collaboration between the Intergovernmental Panel on Climate Change and the Platform;¹¹
