**EM/2021/01**

**REMINDER: Invitation to participate in survey on the use of IPBES assessments in policymaking at national and subnational levels**

Dear IPBES members, observers and other interested stakeholders,

With reference to notification [EM/2020/36](#) (20 November 2020) I would like to remind you that a survey to collect information on the use of completed IPBES assessments in policymaking at the national and subnational level is closing soon on **14 January 2021**.

Governments and non-governmental stakeholders including individuals, organizations, networks, researchers, and indigenous peoples and local communities are invited to take part in this survey and share information on how they have used completed IPBES assessments in their own work related to policymaking at the (sub)national level, by completing the questionnaire below.

You can access the survey following this link: <https://ipbes.net/survey/IPBES-assessments-in-policymaking>. Completing the survey will take approximately 15-20 minutes.

If you have any questions regarding this survey, or if you encounter technical difficulties in participating, please contact the IPBES technical support unit on policy support at [ipbes.tsu.policysupport@unep-wcmc.org](mailto:ipbes.tsu.policysupport@unep-wcmc.org).

I thank you in advance for your contributions and your continued support to IPBES.

**Dr Anne Larigauderie** | Executive Secretary  
Intergovernmental Platform on Biodiversity and Ecosystem Services (IPBES)
