

**Plenary of the Intergovernmental Science-Policy
Platform on Biodiversity and Ecosystem Services
Seventh session**

Paris, 29 April–4 May 2019

Item 3 of the provisional agenda*

**Admission of observers to the seventh session of the
Plenary of the Platform****List of observers admitted to previous sessions of the Plenary
and admission of new observers to the seventh session****Note by the secretariat**

1. At its first session, the Plenary of the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services considered a draft policy and procedures for the admission of observers, but was unable to reach agreement on its adoption. The Plenary therefore decided to consider the matter further at its second session.
2. Also at its first session, the Plenary agreed that the interim procedure set out in paragraph 22 of the report of its first session (IPBES/1/12) would be applied to the admission of observers to its second session. There being no consensus on the draft policy and procedures for the admission of observers, the Plenary applied the same interim procedure at its third to sixth sessions, and decided, at its sixth session, to apply that procedure at its seventh session, on the understanding that observers admitted to its first to sixth sessions would also be among those admitted to its seventh session. Accordingly, the observers admitted to previous sessions of the Plenary will be admitted to the seventh session and are not required to resubmit their requests for admission.
3. With regard to new observers, the interim procedure provides that any body or organization qualified in matters covered by the Platform should inform the secretariat of the Platform of its wish to be represented at sessions of the Plenary. In accordance with the procedure, the Bureau has reviewed the list of organizations having expressed a wish to be represented at the seventh session.
4. The annex to the present note, which is presented without formal editing, sets out information on observers: part I lists observers accredited to the first to sixth sessions; part II lists the organizations recommended by the Bureau for admission as new observers to the seventh session of the Plenary; and part III lists applicants for observer status that the Bureau decided not to recommend for admission, on the basis of the requirements for such applicants set out in paragraphs 10–13 of the draft policy and procedures for the admission of observers (IPBES/7/9), which the Bureau has used as guidance in the implementation of the process for the admission of observers since the second session of the Plenary.

* IPBES/7/1/Rev.1.

Annex

Information about observers

I. Observers admitted to previous sessions of the Plenary

1. Observer States

Angola, Barbados, Democratic People's Republic of Korea, Djibouti, Dominica, Guinea, Haiti, Jamaica, Kazakhstan, Lebanon, Malta, Mauritius, Mozambique, Myanmar, Nauru, Oman, Poland, Qatar, Saint Vincent and the Grenadines, Somalia, State of Palestine, Syrian Arab Republic, Timor-Leste, Turkmenistan, Ukraine.

2. Regional economic integration organizations¹

European Union.

3. Conventions and Multilateral Environmental Agreements

Agreement on the Conservation of African-Eurasian Migratory Waterbirds (AEWA), Agreement on the Conservation of Populations of European Bats (EUROBATS), Agreement on the Conservation of Small Cetaceans of the Baltic, North East Atlantic, Irish and North Seas (ASCOBANS), Convention on Biological Diversity (CBD), Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES), Convention on the Conservation of Migratory Species (CMS), Convention on Wetlands, United Nations Convention to Combat Desertification (UNCCD), United Nations Framework Convention on Climate Change (UNFCCC).

4. United Nations bodies and specialized agencies

Food and Agriculture Organization of the United Nations (FAO), United Nations (UN), United Nations Educational, Scientific and Cultural Organization (UNESCO), United Nations Environment Management Group (UNEP-EMG), United Nations Environment Programme – World Conservation Monitoring Centre (UNEP-WCMC), United Nations Environment Programme (UNEP), United Nations Environment Programme International Ecosystem Management Partnership (UNEP-IEMP), United Nations Headquarters (UNNY), United Nations in Bonn (UN BONN), United Nations University (UNU), United Nations World Tourism Organization (UNWTO), United Nations Development Programme (UNDP).

5. Intergovernmental organizations

ASEAN Centre for Biodiversity, Economic Cooperation Organization Science Foundation (ECOSF), ECO Institute of Environmental Science and Technology (ECO-IEST), Economic Cooperation Organization Science Foundation (ECOSF), Global Biodiversity Information Facility (GBIF), Global Environment Facility (GEF), Group on Earth Observations (GEO), Group on Earth Observations Biodiversity Observation Network (GEO BON), Intergovernmental Panel on Climate Change (IPCC), International Centre for Integrated Mountain Development (ICIMOD), International Union for Conservation of Nature (IUCN), International Union of Forest Research Organisations (IUFRO), League of Arab States, Organisation for Economic Co-operation and Development (OECD), Scientific and Technical Advisory Panel (STAP/GEF).

6. Non-governmental organizations

Action Group on Erosion, Technology and Concentration (ETC Group); Action Jeunesse pour le Développement; Administrative Staff College of India; African Biodiversity Network; African Centre for Advocacy and Human Development (ACAHD); African Development Association;

¹ Regional economic integration organizations participate in sessions of the Plenary as observers ad interim in accordance with footnote 3 to rule 5, paragraph 2, of the rules of procedure for sessions of the Plenary of the Platform (as adopted in decision IPBES-1/1 and amended in decision IPBES-2/1). At its fifth session, the Plenary, through decision IPBES-5/4, decided to allow enhanced participation of the European Union in its capacity as observer in sessions of the Plenary of the Platform.
